

# Colors Matching Tin

## Items used to make this Project:

- CD-168010 Colors: Photographic Shape Stickers
- Magnetic tape
- Tin box

**Directions:** Place all of the crayon stickers from the Colors: Photographic Shape Stickers set on magnetic tape and cut apart. Place the rest of the colors shape Stickers randomly on the outside of the tin box. Store the magnetic crayon stickers in the tin when not playing the game.

**How to Play:** The student will take the magnetic crayons out of the tin and place them on the outside of the tin next to the coordinating color shape sticker. When finished, store the magnetic crayon stickers in the tin.
