

# Welcome Phrases

Highlight students' writing progress with a fun activity for parents at your next Open House.

## ★ Featured Display

This interactive display links students to parents, and offers a creative way for kids to show off their growing skills. Each student writes a short note to his or her parents on a puzzle accent, cuts it into several pieces, puts the pieces in an envelope, and places it on the desk. At the Open House, ask parents to find their child's envelope, and then assemble the puzzle. Tape each puzzle together and display them all with the welcoming messages from this set.
