

Skip Counting Crowns

Items used to make this Project:

- CD-110043 Numbers 0-30 Mini Bulletin Board Set
- CD-1232 Rainbow Scalloped Border
- Glue

Directions: Make a crown out of the border by attaching the ends together. Glue one numbered bulletin board piece to each crown. Students will line up at the front of the room in order. For example, if you are counting by fives, the students wearing crowns five, ten, fifteen, twenty, twenty five, and thirty will line up in order.
